# WHO WE ARE

Daivies Expo is an ISO 9001:2015 Certified Company having its manufacturing facility at 300K EPIP Kundli, Sonapat, Haryana INDIA. Incepted in the year 2004, Daivies has attained a premier name in this competitive domain of exports due to the consistent efforts, teamwork, Fulfilling customer's expectations and uncompromising quality standards. Our team of young professionals are constantly working on catering to the varied requirements of our customers, with constant innovations and Quality upgradations. Our business network has spread across USA, Europe, Far East, Africa, South East Asia and Middle East.

Our manufacturing unit has a production capacity of 200 metric tonnes per month and can execute any number of orders as per customer's specification In a stipulated time.

At Daivies the products are crafted in a mix of indigenous and advanced machinery with a very strict quality control through in-house process with an integrated production system which links everything from designing of products to packaging of Finished products, all under one roof.

Daives has installed its own effluent treatment plant to keep the environment clean and green. We also have compliance with the Government Pollution Control Board and the Local Municipal Authorities.
